TRUCKIN'

*written by Jerome Jerry Garcia/Philip Lesh/
Robert C. Christie Hunter/Robert Hall Weir*

Truckin', got my chips cashed in Keep truckin', like the do-dah man Together, more or less in line Just keep truckin' on Arrows of neon and flashing marquees out on Main Street Chicago, New York, Detroit and it's all on the same street Your typical city involved in a typical daydream Hang it up and see what tomorrow brings Dallas, got a soft machine Houston, too close to New Orleans New York got the ways and means But just won't let you be Most of the cats that you meet on the street speak of true love Most of the time, they're sittin' and cryin' at home One of these days they know they better be goin' Out of the door and down to the street all alone Truckin', like the do-dah man Once told me, "You've got to play your hand" Sometimes the cards ain't worth a dime If you don't lay 'em down Sometimes the light's all shinin' on me Other times, I can barely see Lately, it occurs to me What a long, strange trip it's been What in the world ever became of sweet Jane? She lost her sparkle, you know she isn't the same Livin' on reds, vitamin C, and cocaine All a friend can say is, "Ain't it a shame?" Truckin', up to Buffalo Been thinkin', you got to mellow slow It takes time, you pick a place to go And just keep truckin' on Sittin' and starin' out of the hotel window Got a tip they're gonna

kick the door in again I'd like to get some sleep before I travel But if you got a warrant, I guess you're gonna come in Busted, down on Bourbon Street Set up, like a bowlin' pin Knocked down, it gets to wearin' thin They just won't let you be You're sick of hangin' around and you'd like to travel Get tired of travelin', you want to settle down I guess they can't revoke your soul for tryin' Get out of the door and light out and look all around Sometimes the light's all shinin' on me Other times, I can barely see Lately, it occurs to me What a long, strange trip it's been Truckin', I'm a goin' home Whoa, whoa, baby, back where I belong Back home, sit down and patch my bones And get back truckin' on

THAT OLD BLACK MAGIC

written by Harold Arlen/Johnny Mercer

Old black magic has me in its spell Old black magic that you weave so well Those icy fingers up and down my spine The same old witch craft when your eyes meet mine Same old tingle that I feel inside Then the elevator starts its ride Down and down I go Round and round I go Like a leaf caught in a tide I should stay away but what can I do I hear your name and I'm a flame Flame, flame of desire Only your kiss can put out the fire Oh you're the lover I have waiting for Your the mate that fate had me created for And everytime your lips meet mine Down and down I go Round and round I go In

a spin, lovin' the spin I'm in Under the old black magic called love In a spin lovin' the spin I'm in Under the old black magic called love In a spin lovin' the spin I'm in Under the old black magic called love I should stay away but what can I do I hear your name and I'm a flame Flame, flame of desire Only your kiss can put out the fire Oh you are the lover I have waited for Your the mate that fate had me created for And everytime your lips meet mine Down and down I go Round and round I go In a spin, lovin' the spin I'm in Under the old black magic called love

TWEEDLE DEE & TWEEDLE DUM

written by Bob dylan

Do you recall some years ago? Up in the mountains that were white with snow Inside a cavern McDougal he was plannin' There's gonna be a showdown with somebody he knows Well he's been there a year or so Somethin' will happen very soon I know I hear him playin' his bagpipes every mornin' I think that it's a warnin' He's gatherin' the clan Soon you'll hear the sound of people shoutin' You will see the claymores in their hands If you knew the reason for their fightin' You would never understand Oh tweedle dee, oh tweedle dum The tune McDougal always used to hum While he was fightin' his rival clan McGregor Dishonour he would never The tartan of his clan Do you recall some years ago? Up in the mountains

that were white with snow Inside a cavern McDougal he was plannin' There's gonna be a showdown with somebody he knows Soon you'll hear the sound of people shoutin' You will see the claymores in their hands If you knew the reason for their fightin' You would never understand Oh tweedle dee, oh tweedle dum The tune McDougal always used to hum While he was fightin' his rival clan McGregor Dishonour he would never The tartan of his clan Oh tweedle dee, oh tweedle dum The tune McDougal always used to hum While he was fightin' his rival clan McGregor Dishonour he would never The tartan of his clan Oh tweedle dee, oh tweedle dum The tune McDougal always used to hum While he was fightin' his rival clan McGregor Dishonour he would never The tartan of his clan Oh tweedle dee, oh tweedle dum

BAD ACTOR

written by Merle Haggard

I've never been much at making believe. Don't have any tricks hidden up my sleeve. If life is a comedy, where's all the laugh ter? 'Cause here on the stage I'm a bad actor. I don't know what you want me to know. So I'll take the small parts in our family show. Tell me which hero you want me to play. How should I feel, and what do I say? Pretending to care, pretending to cry. You say I'll be there, and I say I'll try. Second hand feelings are always a factor, In my staring roll as a

bad actor. Please let me know what you want me to see. Where do you want me to be? In this old mirror, I'm just a reflection, But I might be brilliant if you'd give direction. I have a problem of knowing what's real. All my emotions I borrow and steal. Faking my way through every day, And trying to act like it's better that way Pretending to care, pretending to cry. You say I'll be there, and I say I'll try. Second hand feelings are always a factor, In my starring roll as a bad actor.

ONLY A RIVER

*written by Josh Kaufman/Robert Weir/
Joshua Ritter*

Well, I was born up in the mountains Raised up in a desert town And I never saw the Ocean 'Til I was close to your age now Oh, Shenandoah, I long to see you Hey-hey, hey, your rolling river Oh, Shenandoah, I long to see you Hey-hey, hey, only a river gonna make things right Only a river gonna make things right I'm going back to San Angelo The ground is hard and the count is dry But I'm gonna get my fill somehow Rivers of corn, and wheat and rye Oh, Shenandoah, I long to see you Hey-hey, hey, your rolling river Oh, Shenandoah, I long to see you Hey-hey, hey, only a river gonna make things right Only a river gonna make things right Only a river gonna make things right Oh, Shenandoah, I long to see you Hey-hey, hey, your rolling

river Oh, Shenandoah, I long to see you Hey-hey, hey, only a river gonna make things right Only a river gonna make things right Only a river gonna make things right Now, red, red, river valley Will she remember all the things we said? And what's the chance that she'll remember All those nights in the riverbed? Oh, Shenandoah, I long to see you Hey-hey, hey, your rolling river Oh, Shenandoah, I long to see you Hey-hey, hey, only a river gonna make things right Only a river gonna make things right

INTO THE MYSTIC

written by Van Morrison

We were born before the wind Also, younger than the sun 'Ere the bonnie boat was won As we sailed into the mystic Hark now, hear the sailors cry Smell the sea and feel the sky Let your soul and spirit fly Into the mystic Yeah, when that fog horn blows I will be coming home Yeah, when that fog horn blows I wanna hear it I don't have to fear it And I wanna rock your gypsy soul Just like way back in the days of old Then magnificently we will float Into the mystic When that fog horn blows You know I will be coming home Yeah, when that fog horn whistle blows I gotta hear it I don't have to fear it And I wanna rock your gypsy soul Just like way back in the days of old And together we will float Into the mystic Come on, girl too late to stop now
