Positively West 52nd Street
Roseland Ballroom
New York City
October 19 & 20, 1994

This incredible sounding two night stand at the venerable Roseland Ballroom features pristine A+ **SOUNDBOARD** quality on both nights with the exception of a 60 second audience patch-in for the intro to the 10/19/94 performance of Jokerman made necessary by a late tape start by the soundman.

The audience patch-in sounds just fine, but you will definitely notice the difference when the soundboard signal kicks in at the 60 second point and from then on...**IT'S PURE SONIC BLISS.**
